Can You Beat It?

LESS THAN you can fight Johnson Grass for in the Salt River Valley.
WITH PURE, soft irrigation water from pumps at \$2.25 per acre foot, you should always have clean land.
THINK this over while you are riding your cultivator some of these weary hours.
THINK this over when you are paying out hundreds of dollars to Mexicans for hoeing your cotton.
FAIR WARNING—GO NOW before it is too late. This land will be off the market in six weeks.
